### findCRA to Exhibit at the National Interagency Community Reinvestment Conference 2024

**Louisville, KY** – findCRA will be onsite at the National Interagency Community Reinvestment Conference or NICRC in Portland, Oregon the week of March 4<sup>th</sup> through March 7<sup>th</sup>. The event will be held at the Oregon Convention Center, one of the largest event spaces in the Pacific Northwest.

findCRA will exhibit at the regulator-led conference again in 2024, the first in-person NICRC held since 2018. The multi-day event will feature discussions on a variety of community development topics including the CRA 2024 final rule, fair lending, community investment, regulatory compliance, and more. findCRA will showcase its innovative Community Qualifier and Contexter software products which help banks to simplify documentation and research regarding their federal regulatory requirements under the Community Reinvestment Act.

"From the very beginning of findCRA, I made it priority to attend the NICRC. I first joined this event in 2014 as an attendee in Chicago, not long after co-founding the company and knew immediately that the conference provides a wealth of CRA knowledge and networking opportunities. Since 2016, findCRA has regularly attended as an exhibitor and sponsor. I look forward to connecting with our customers, bankers, regulators, and industry thought leaders in Portland," said Ben Loehle, CEO & Co-Founder of findCRA.

findCRA will be onsite in the Exhibitor Hall with Mr. Loehle; Nikki Huyear, VP, Director of Bank Sales & Customer Success; and Brian Waters, President, COO & Co-Founder in attendance to discuss the company's offerings.

Headquartered in Louisville, KY, findCRA provides banks of all sizes a more efficient way of meeting their CRA regulatory obligations with its online research engine that puts CRA first. The company provides comprehensive, consistent data and instant insights into CRA alignment for nonprofits and performance context for every community in the nation. Its cloud-based software tools – Community Qualifier and Contexter – simplify time-consuming CRA research efforts by organizing hundreds of critical data points into an intuitive research engine.

The NICRC is the premier conference for community development, offering insights, emerging ideas, and promising practices shared by community development experts from around the country. The program includes signature regulator-led sessions on CRA examinations and the current regulatory process as well as what to expect under the new 2024 CRA final rule. The NICRC is organized and hosted by the banking regulatory agencies including the Federal Deposit Insurance Corporation, the Federal Reserve Board, and the Office of the Comptroller of the Currency.
