findCRA Returns to the ABA Risk & Compliance Conference in 2024 to Share Its Innovative CRA Solutions

Louisville, KY – findCRA will be onsite at the American Bankers Association's Risk & Compliance Conference in Seattle, Washington the week of June 11th through June 14th. The event will be held at the Seattle Convention Center, in the heart of the city, just blocks away from Pike Place Market and the Space Needle.

findCRA will be an exhibitor at the nation's leading risk and compliance conference again in 2024, bringing together compliance and risk management professionals and industry thought leaders from around the nation. The multi-day event will feature discussions on a variety of banking compliance topics including the CRA 2024 final rule, fair lending, regulatory compliance, and more. findCRA will showcase its innovative Community Qualifier and Contexter software products which help banks to simplify documentation and research regarding their federal regulatory requirements under the Community Reinvestment Act.

"The ABA RCC provides a powerful opportunity to connect with banking leaders and federal regulators to discuss emerging risks and ongoing compliance matters in the financial institution space. findCRA looks forward to connecting with the attendees and fellow exhibitors to discuss the ways our software and services help make their CRA compliance easier, given the myriad risks bankers manage on a day-to-day basis," said Brian Waters, President & COO of findCRA.

findCRA will be onsite in the Hub at booth #816 with Ben Loehle, CEO; Nikki Huyear, VP, Director of Bank Sales & Customer Success; and Mr. Waters in attendance to discuss the company's offerings.

Headquartered in Louisville, KY, findCRA provides banks of all sizes a more efficient way of meeting their CRA regulatory obligations with its online research engine that puts CRA first. The company provides comprehensive, consistent data and instant insights into CRA alignment for nonprofits and performance context for every community in the nation. Its cloud-based software tools – Community Qualifier and Contexter – simplify time-consuming CRA research efforts by organizing hundreds of critical data points into an intuitive research engine.

The ABA Risk & Compliance Conference is hosted and held annually by the American Bankers Association, the largest industry trade association serving America's banks. The Risk & Compliance Conference will convene nearly 2,000 banking professionals to discuss compliance, regulatory changes, risk management, and advocacy with top industry experts.
